

Membership Information

Membership in the Maumee Valley Herb Society (MVHS) is open to all who are interested in studying, growing and using herbs and making that knowledge and its application available beyond the society. Members tend the herb garden at Toledo Botanical Garden (TBG) each Tuesday morning during growing season.

Most meetings are held at the TBG Conference Center on the third Wednesday morning of each month. Exceptions for evening meetings are noted in the directory and the monthly newsletter.

Payment of dues per year: January through December is \$20 for individual and \$25 for immediate family; July through December \$10 for individual and \$12.50 for immediate family.

Members are listed in the MVHS Directory, receive a monthly newsletter, and are included in all society events. (An additional fee may be required for field trips, etc.)
